Reason

#2

Reason 2

Choose Hitachi Capital for the best client service in the industry

We have the best client retention rate in the industry, with clients staying with us for over 30% longer than the industry average.

Recent feedback from clients proves this:

I find Hitachi to be excellent. Leanne is my main point of contact - and she is outstanding in every area. Sheila is also a huge help - and always prepared to assist.

Damian Byrne, Draycott Marlin - February 2013

I have used Hitachi since 2007 and have experienced superb levels of efficiency, customer service and worth every penny. Ann Hoyer, Neil and Julie Jones are diligent, accurate and extremely helpful at all times. I would not hesitate to recommend them. I am so pleased I work with them.

Clare, Magneticrc - February 2013

Employees at Hitachi Capital Invoice Finance have been with the company, on average, longer than 15 years. This long service means that clients get continuity from their Client Managers who understand their client's businesses as if they were employed directly by their client.

Reason

#3

Reason 3
We won't tie you in to long contract periods

Our unique 6 month trial period allows you to trial us without having to commit to a contract during this time. You can choose to leave at any point within this trial period. Following the trial, we offer a 3 month rolling contract, unlike many other providers who tie clients in to lengthy contracts. Our clients choose to stay with us rather than being forced to.

We can prove it

99% of clients who use the 6 month trial period, choose to stay with us for longer – proof of our great product and service.

Reason

#4

Reason 4
Access finance from an award winning provider

We have won the Credit Today Award 2 years running from 2011 to 2012 for Best Factor and Discounter – another great proof of our excellent client service.

Our new Inspired Cashflow product won product of the year just 3 months after it was launched. ACQ Global awarded Inspired Cashflow with this recognition – due to its innovative benefits and features within the cashflow finance market.

What's next...

Take our no obligation 6 month trial

We offer a strictly no obligation 6 month trial followed by a rolling 3 month contract period. We don't need to tie clients in for lengthy 12 month periods as we are confident of our award winning service and innovative products.

- If you decide to leave during the 6 month trial you will not be charged an exit fee associated with typical contract periods
- As the only independent provider to offer a 6 month trial we are confident you will stay for longer – 99% of our clients do
- You can use this trial to assess whether Inspired Cashflow is the right product for your business
- It is also an opportunity to test our award winning service

In a nutshell -

Why you should choose Inspired Cashflow:

- Available for just one low fee
- No set up fee, hidden fees or charges
- 6 month trial period followed by 3 month rolling contract
- Outsource your credit control and free up time spent on your business
- As your turnover grows so does your access to money
